SUBJECT: Special Training Quotas

**\*USAF Declass/Release Instructions On File\***

TO: Mr Harry S Fitzwater

1. The USAF Special Operations School conducts courses in Unconventional Warfare, Psychological Operations, Foreign Internal Defense, and Military Assistance. Orientation courses are provided for military and civilian personnel assigned to the Technical Assistance Field Teams in Iran, Saudi Arabia, and other overseas locations.

2. Due to the increasing threat to Department of Defense personnel abroad, the School has been tasked to expand its instruction on terrorism and personal protection. Additionally, the school has been tasked to develop a formal course to implement Air Force regulations generated by DOD Directive 2000.12, Protection of DOD Personnel Abroad from Terrorist Acts. To comply with this tasking and present the most viable, current instruction possible, I have encouraged my primary instructor staff to attend courses managed by other military and civilian agencies.

3. During a series of briefings at your Headquarters, in January, Mr [REDACTED] mentioned two proposed courses, Countering Terrorist Tactics and a Special Overseas Orientation Course, which he felt would benefit our primary instructors. In a recent conversation with [REDACTED]

[REDACTED] I learned these courses were now being conducted.
